Lake House

Beach House

We are very proud of our newly remodeled homes . They are furnished with the highest quality of furniture, appliances, etc.,. They have fireplace inserts and fantastic views of the lake from almost every room - actually every room if you stretch your neck a little in the back of the house. We are on the sunset side of the lake. It is a treasure of a property and a good base for traveling.

The Lake HOUSE:. The bathrooms were done over with granite countertops. There are two bathrooms - one off the master bedroom with an oversized shower and the other hall bathroom has a tub (with shower) - both with granite countertops (counter height) and new fixtures, etc. Two of the bedrooms have full beds and a third bedroom and the master bedroom have queens. There is also another room in the rear (we call it the sun room) with all windows fully enclosed with a 40 inch Visio HDTV with a treadmill for exercise, and children's videos. Although we prefer 4 to 6 persons at most, we are happy to accept up to 10 persons.
We also accept most pets.**(small extra charge for pets and over six persons)

The washer/dryer unit is on the first floor in both houses. - All the appliances are brand new including the microwave, refrigerator and the washer/dryer . The kitchens are fully stocked with toaster oven, spices, coffee maker, coffee, etc.
We keep condiments and paper goods for your comfort and pleasure. ... and also the internet is wireless. (extra TV setup at Lake House)

There are all kinds of activities in the area as well as a central location for traveling, whether to the beach across the way or to the Patriots football games or Concerts at Gillette Stadium.
We are half way between Providence and Boston, and Cambridge.

Rates: $350 - $375 per night, $1950-$2150 per week, minimum 3 nights, cleaning/sanitation fee of $150, over six persons extra charge (2.5% admin charge)
